- Born in the California Gold Rush, Nevada City was once the scene of some of the most destructive environmental practices on earth. Discovered in the 1960s by the "back to the land movement," it became a second gold rush with a different idea of wealth based on nature, community, and a sense of place. Join director John de Graaf for the premier of Redefining Prosperity: The Gold Rushes of Nevada City.*
- October 23, 2018 **County Wide Power Outage**
Island Wide
12:30 AM - 04:30 AM PST
All of San Juan County will be affected by a series of two planned outages necessary for BPA to replace a section of one of the two main power lines that feed the San Juan Islands from Fidalgo Island. These maintenance outages will happen overnight on weekdays to minimize impact to OPALCO consumers.
